Dear distributor !

Due to unforeseeable reasons we have decided a change of our chassis partner for the junior category at the ROTAX MAX CHALLENGE GRAND FINALS 2008.

Pls. join us in welcoming ZANARDI, a great kart chassis and an even greater name behind this chassis brand. Alessandro (Alex) Zanardi, multiple Champcar race winner, F1 pilot as well as a great personality who came back to racing after a heavy stroke of fate.

We all hope to get the chance to personally meet Alex Zanardi during the Grand Finals in La Conca, it would honour the event.

For reference the updated list of chassis brands per category.
